

THE UNIVERSITY CREDIT SERIES

COLLEGE CREDIT

Take part in the experience of a lifetime and have the opportunity to earn college credit from the University of Virginia. Students distinguish themselves from their peers and enhance their college applications through this innovative learning and travel experience. While hiking the Great Wall of China, exploring the Louvre in Paris, or studying the ecosystems of Costa Rica, students go beyond classroom walls for an enriching study abroad experience. Adjunct professors from UVA and other institutions have supported us in the development, delivery, and assessment of our University Credit Series educational programs. Students earn one free college credit and gain a greater understanding of global issues.

ONE FREE CREDIT INCLUDED IN PROGRAM*
